

The diagram illustrates a network structure with nodes and edges. Nodes are represented by small black dots, some of which are highlighted with blue circles. Edges are shown as lines connecting the nodes, with some edges highlighted in red and others in green. Shaded gray regions indicate specific areas of interest within the network. The diagram is overlaid on a grid with labels 'N' at the top left, 'X0UC9' at the top center, '004E' at the top right, '-76' at the bottom left, '1255' at the bottom center, and '-89' at the bottom right.
